

#193

Plateau Plinth

Plateau Plinth, with its slim design and organic, rounded forms, creates a pleasing contrast in the often square urban structures and spaces. The 2,8 meter long seat provides plenty of seating space where people could either sit together in groups or separated at each end of the table

#193

Plateau Plinth

Technical data

Material

Seat: 2.8m, robust, multi-layered and dyed 12mm compact laminate. Highly UV- and weather-resistant, solid mechanical quality and durability.

Frame: Hot galvanized steel. Disc: Bead blasted stainless steel.
